

Edge-ucation

Welcome to our Edge-ucation website.

This part of the Excellent Edges website is dedicated to our education and industry involvment.

Located within you will find information about our Edge-ucation workshops which are conducted all over Australia, England, Denmark, Norway, Sweden and Korea. If you have ever wanted to get more out of your scissors or brush up on those cutting techniques, a workshop with Sue Edwards is highly recommended by many industry leaders. For more info, click on the Edge-ucation tab on the left hand side of your screen.

Also in this section, there are News Stories, an Event Calendar and a Links page with some other great hairdressing related sites.

Enjoy !

Want something different for your staff training nights?

How about getting Sue Edwards, Pete Walstab or Tim Payne to come to your salon to teach you a few things about scissors. We'll demonstrate what can be achieved with the right tools and you get to try out our range with no obligation or pressure to buy.

This is a great opportunity to learn more about your most important tool.

For Melbourne-based salons this is a free service and for salons outside Melbourne there is a minimal charge for travel expenses.

Contact Pete Walstab on 03 9879 5049 to organise a booking.
